WELCOME TO LUXURY RIVER CRUISING

Explore the world's rivers in the ultimate style

River cruising is the most luxurious way to travel and experience the world. Enjoy the convenience of a traditional cruise, combined with the charm and intimacy of exploring destinations by river. Visit bustling cities and hidden gem villages, all while only having to unpack once. Relax in comfort and style as you sail along the river, taking in the breathtaking scenery and rich culture of each destination.

ONE-OF-A-KIND BOUTIQUE SHIPS

One of the highlights of your river cruise will be the ship you sail on. Each of our one-of-a-kind ships is like a floating boutique hotel; designed to immerse you in the destination and fully equipped with luxurious amenities, beautiful public spaces and multiple dining venues throughout.

ALL-INCLUSIVE AMENITIES

Everything you could ever need is included with Uniworld. From your meals to premium drinks, a host of onboard wellness opportunities plus your daily shore excursions. We've even included the onboard gratuities. All you have to do is sit back, relax and enjoy the Uniworld experience.

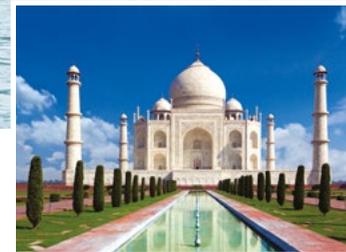

INTIMATE & RELAXING EXPERIENCE

Compared to ocean cruising, a river cruise ship is smaller and therefore offers guests a far more intimate experience. With just an average of 120 guests onboard, you can get to know your fellow travellers and also receive better access to the incredible staff onboard.

UNMATCHED CONVENIENCE

By its nature, cruising along rivers allows you to travel directly through the heart of countries, giving you access to some of the world's greatest cities right outside your window. You'll travel to multiple destinations with ease, only unpacking once.

IMMERSIVE TRAVEL EXPERIENCES

We've selected culturally immersive experiences on every journey. These range from early access to the world's greatest landmarks such as the Taj Mahal, private after-hours visit to St. Mark's Basilica or receiving a breathtaking water blessing from a Cambodian monk.

CONNECT & STAY CONNECTED

Unencumbered by large crowds, you'll effortlessly meet people who share your passion for travel and exploration, and stay connected with loved ones back home with complimentary shipwide Wi-Fi.

A HISTORY OF OUR HOSPITALITY EXCELLENCE

The story of our guiding visionary

To truly understand what makes a Uniworld cruise so special, you need to understand the inspiration behind our one-of-a-kind floating boutique hotel experience. From the moment you step onboard our one-of-a-kind award-winning ships, you notice the Uniworld difference. Our guiding visionary, Bea Tollman, is the creative mind behind our luxury, floating boutique hotel experience and her personal touches can be found everywhere—from the distinct design of our ships, the recipes for our locally sourced cuisine and the unmatched staff attentiveness. She has been honored for a lifetime of achievement in hospitality, including an induction into the British Travel and Hospitality Hall of Fame. We're proud to follow her commitment to hospitality excellence.

DESIGNED TO INSPIRE

Bea has helped design our ships to reflect the rivers they cruise on, with bespoke themes, colour palettes, original art and personally selected furnishings. Step onboard one of our floating boutique hotels and get a sense of her heart and love of hospitality in every room.

A NOURISHED PALATE

Much of the attention to detail you'll find onboard took root in the kitchen. A temporary solution to help her husband, Stanley Tollman, with their first hotel paved the way for a life in food, later translating into the many delicious dishes and culinary feats that have become a cornerstone for Red Carnation Hotels and Uniworld Boutique River Cruises alike.

A SPIRIT OF SERVICE

To this very day, Bea remains hands-on. Over the years, she's instilled many of her core values into how we interact with our guests. Whether it's remembering exactly how you like your cocktail prepared, ending every exchange with a cheerful grin or surprising you with a thoughtful treat, Bea and her family have created a legacy of providing unforgettable experiences.

THE MOST PERSONAL SERVICE

from the most tenured crew on the rivers

We treat our staff and guests like family—a philosophy instilled in our company culture as a family-owned business. This philosophy, rooted in the Tollman family's long-standing involvement in the hospitality industry, is the driving force behind our guest-centric atmosphere. And it's the reason you leave your cruise feeling like part of the family.

It's also why each detail carries the same weight. **"No request is too large, No detail too small"** comes to life in the interactions we share with our guests. Your river cruise is focused on a singular goal: to give you the unique and unforgettable experience you seek, with the personalised, industry-leading service you deserve.

Every guest receives our full attention, with an incredible guest-to-staff ratio of 2.4 to 1 (the best on the rivers), unmatched attention to detail and in-suite butlers trained to the same standards of excellence required by Buckingham Palace—because everything worth doing, is worth doing well.

"First Uniworld cruise and would definitely recommend them as a preferred cruise line. Paid attention to my every need. Very attentive to every detail."

to unrivalled excellence in luxury river cruising

We don't believe in filling the rivers with a large fleet of identical ships. We believe in quality over quantity.

Uniworld guests have 10 extraordinary Super Ships to choose from, including the newest to our fleet - S.S. *Sphinx* in Egypt, *Mekong Jewel* in Vietnam & Cambodia, S.S. *La Venezia* in Italy and S.S. *São Gabriel* in Portugal.

We continue to launch new Super Ships with each passing year as we work towards transforming our entire fleet, delivering the absolute best experience in river cruising. This commitment to quality has consistently earned us a top ranked spot in both *Condé Nast Traveler's Readers' Choice Awards* and *Travel + Leisure's World's Best Awards*, year after year.

DON'T JUST TAKE OUR WORD FOR IT

Every year, we send thousands of travellers on their dream luxury river cruise. You can enjoy reading through the independently verified reviews they leave at Feefo.com - a customer review company who awarded Uniworld a Platinum service award for consistently being ranked excellent over a three year period.

A PASSION FOR SUSTAINABLE TOURISM

and a penchant for giving back

As part of our dedication to sustainability, we focus on making a positive impact and advocating for environmental, social and economic responsibility under the guidance of Uniworld's Sustainability Officer, Julie Higgins.

01

CLIMATE ACTION

We have conducted comprehensive measurements of our emissions in order to understand and reduce our carbon footprint, all a part of our end goal to achieve net zero. On our way to a low-emissions economy, we're supporting nature-based carbon removal solutions through our **TreadRight Foundation**.

We are also committed to reducing food waste by 50% and to sourcing at least 50% of our electricity from renewable sources by 2025.

02

SINGLE-USE PLASTICS ELIMINATION INITIATIVE

We're setting our sights on a plastic-free future. We're in the process of banning more than 60 types of single-use plastics-including straws, water bottles and bags-across all operations. We are constantly working with our suppliers to avoid plastic wrapping on goods and find more ways to eliminate waste onboard.

03

LEANPATH

Food waste is one of the largest contributors to climate change, so we've partnered with a food waste management company, **Leanpath**, to reduce our carbon footprint. Their system measures how much food gets discarded after every meal onboard. With the precise measurements it will provide us, our chefs will have the data and confidence necessary to make the perfect amount of each dish. We are always working to increase our local and organic food suppliers, for the freshest and most sustainable cuisine onboard.

04

MAKE TRAVEL MATTER® EXPERIENCES

Uniworld introduced **MAKE TRAVEL MATTER® Experiences** to several of our incredible trips and itineraries. As a company of travel lovers, we know how to craft a unique and impactful travel experience that also benefits the places we explore. When you choose one of these experiences, you directly advance global efforts to achieve the Sustainable Development Goals set by the United Nations.

TRAVEL TAILORED TO YOU

*Flexible travel options
for every guest*

We believe in providing a seamless, stress-free experience when it comes to getting to our cruises. This is why our expert team is here to assist you throughout the whole process, from helping book the travel route that works best for you to greeting you in the airport and guiding you to your pre-booked transfer. We want you to feel relaxed and taken care of every step of the way.

**01
TRAVEL BY AIR**

Air is by far the most popular travel option for Uniworld guests. Despite flights not being included in the cost of your package, our expert team is on hand to help provide assistance, including booking your flights on your behalf. By booking your flights through our team, we can ensure every element of the journey is as smooth as possible, plus book the flight times that work best with your included airport to ship transfers.

**02
TRAVEL BY RAIL**

Prefer to travel by rail? Often Eurostar travel is more convenient and less stressful than flying, as it avoids the hassle of going through airport security and baggage checks. You will also arrive right in the centre of town, meaning you're usually a short transfer away from the ship. Depending on where you're based in Europe you may find other train routes offer a more convenient service.

**03
SELF-DRIVE OPTIONS**

We offer the option of self-driving on two of our French itineraries. On the day of your cruise, simply drive directly to the dock where our team will assist with unloading your luggage and directing you to the pre-booked car park in the vicinity. DAY 2: Tarascon (Arles)

Explore a sun-drenched Provençal town today with an allure all its own. Known for its remarkable Roman ruins, Arles so inspired Van Gogh that he painted some 200 paintings there. It was here that the Romans built their first bridge across the Rhône River, creating a vital overland route between Italy and Spain. (B, L, D)

Featured Excursions: Arles walking tour.

DAY 3: Avignon

The walled city of Avignon is one of the most fascinating towns in southern France, with a host of historic gems to explore-including the fortress residence of rebellious popes who broke from Rome and once lived and ruled here. You'll see the Palace of the

DAY 4: Viviers

An enchanting village where time seems to have stopped centuries ago, Viviers has a long and storied past that goes back more than 1,600 years-and a splendid architectural heritage to match. At one time, Viviers was divided along religious lines-the clergy lived in the upper part of the town, the laity in the lower part. Your exploration of the town will take you through both parts, as you begin at the crest and make your way to the riverbank. (B, L, D)

DAY 5: Tournon (Tain-l'Hermitage)

If you love fine wine, you'll love the twin villages of Tournon and Tain-l'Hermitage. You'll see the handsome houses constructed by wealthy merchants and garrison officers when you walk through the Rue de Doux area, and you'll pass the 14th-century church and the oldest secondary school in France. (B, L, D)

Featured Excursions: Choice of Tournon and Tain-l'Hermitage twin villages stroll with wine tasting or "Let's Go" Hermitage vineyards hike with wine tasting.
