DISCOVER THE WONDERS OF PORTUGAL

Ultra-Luxurious River Cruises and Immersive Land Tours departing from June 2021

Book by 9th June 2021

WELCOME TO PORTUGAL

After a year of quarantining, isolating, lockdowns and red lists; I am so thrilled to finally announce that travel is officially back. Following the latest travel announcements, we are so thrilled to get the green light on Portugal.

If the past year has taught us anything, it's the memories and experiences of spending time with loved ones we have missed the most. For myself - and I'm sure for most of you - staying home for so long has been a poignant reminder of just how important the gift of travel is and that it must not be taken for granted. As the world opens again, I encourage you to appreciate that gift to the fullest on grand new adventures.

We know that your next holiday is going to be extra special, so we want to assure you that with us, you can book with confidence knowing that it will be a holiday to remember. With our first sailing back on the Douro confirmed for 20th June, it gives us the chance to get away with loved ones once again and turn our travel dreams into reality. What a destination to mark your return to travel, home to breath-taking views, unforgettable experiences and of course the best kept secret in river cruising; the stunning Douro Valley. Your first step back into the world is a journey you will never forget, so why settle for anything less than the best.

It seems rather fitting that the reopening of travel aligns with the launch of the Douro's newest and most luxurious ship, Super Ship, the S.S São Gabriel, making our first sailing in over a year an extra special experience.

I am so grateful to be back on the world's rivers with you once again.

Warmest regards,

Ellen Bettridge

WELCOME TO THE DOURO RIVER VALLEY

- the Best Kept Secret in River Cruising

A Unesco World Heritage site since 2001, the dramatic landscapes of the Douro River Valley is a must-see for any traveller. Despite being one of the oldest demarcated wine regions in the world, the Douro River Valley is one of Europe's best kept secrets. As you cruise through the very heart of the valley you are surrounded by steeply terraced hillsides, quaint villages and acres of ripe vineyards. No visit to the Douro River Valley would be complete without private tastings of the region's main produce, and namesake, Port.

What does luxury **MEAN TO YOU**

The word luxury means different things to different people. As you would expect with five-star hotels on land, there are different levels of luxury available to guests. As we see it, would you choose to stay in a chain hotel where you can find the same layout no matter where you are in the world, or would you choose to stay in a boutique luxury hotel offering an incredible new experience?

Uniworld are an incredibly unique river cruise line. We have taken our inspiration from our sister brand, the Red Carnation Hotel Collection (renowned for some of the finest hotels in the world), making us the only river cruise line to operate a collection of luxury hotels. This means luxury is deep-rooted in our DNA, and we pride ourselves on being known as the most luxurious river cruise line in the world.

What is a **LUXURY RIVER CRUISE?**

A luxury river cruise offers an entirely new insight into the world, unpack only once and discover multiple destinations throughout your journey. Imagine yourself slowly making your way through great cities and countryside on board your award winning, floating luxury hotel. Unlike an ocean cruise where you may have multiple sea days, a river cruise allows you to make your way through the heart of countries, passing breath-taking scenery with every bend. Truly immerse yourself in local culture as our smaller ships allow you to dock in the very heart of the world's greatest cities, meaning you can be on shore quickly to discover the destination for yourself.
